WDA ANNUAL CONFERENCE
SACRAMENTO, CA
OCTOBER 24-25, 2025
STRONGER TOGETHER

INVITATION TO SPONSOR: WILSON DISEASE CONFERENCE 2025

STRONGER TOGETHER

Dear WDA Conference Supporter,

On behalf of the Wilson Disease Association, I am thrilled to extend an invitation to you to partner with us as a sponsor for the upcoming Wilson Disease Conference 2025, themed "Stronger Together: Advancing Care and Research." The conference is scheduled to take place October 24-25 in Sacramento, CA.

Wilson disease affects individuals and families in profound ways, presenting unique challenges that require ongoing dedication to research, treatment and patient care. Despite these challenges, the Wilson disease community continues to move forward with determination and optimism, seeking new avenues for progress and improvement.

We appreciate that you share our commitment to advancing healthcare and improving the lives of individuals affected by rare diseases. By sponsoring our conference, you will play a crucial role in supporting initiatives that drive innovation, promote collaboration and empower patients and caregivers.

The theme "Stronger Together" highlights the power of unity, support and collaboration within the Wilson disease community. It reflects the idea that by coming together – patients, families, caregivers, researchers, health care professionals and industry partners – greater progress can be made in raising awareness, advancing research, improving treatment options, and providing emotional and practical support.

We offer a range of sponsorship opportunities designed to showcase you or your company's commitment to making a positive impact on the lives of individuals with Wilson disease. From branding opportunities, exhibition space and material displays we can tailor a sponsorship package to align with you or your company's goals and objectives.

We would be delighted to discuss this partnership opportunity with you further and provide additional details about our sponsorship options. Thank you for considering this opportunity to support the Wilson Disease Conference 2025 and contribute to the advancement of care and research in the field. Information on event and hotel registration can be found on our website at www.wilsonsdisease.org

Warm regards,

Rhonda Rowland

President, Wilson Disease Association
