

## Update on Galzin® Prescriptions

### Transition to Anovo Specialty Pharmacy

We want to let you know about an upcoming change in the dispensing pharmacy for **Galzin® (zinc acetate) capsules**, from Eton Pharmaceuticals.

Beginning **October 1, 2025**, **Galzin prescription dispensing will transition from Optime Care to Anovo Specialty Pharmacy**. This change will help ensure you continue to receive the highest-quality service and uninterrupted access to your medication. Anovo is a trusted specialty pharmacy with extensive experience supporting patients on rare disease therapies.

#### For Existing Galzin patients:

- Effective October 1, Anovo will handle all Galzin prescription fulfillment.
- No changes to your prescription, copay, refill process, or delivery schedule.
- No action is required. Your prescriptions will automatically transfer to Anovo.
- Dispensing contact information: Phone: 833-442-5946 | Fax : 855-813-2039
- All benefits of the **Eton Cares Program®** will remain the same.
- Your new Anovo care coordinator will be contacting you to dispense your next refill.

#### For New Galzin patients:

- Starting October 1, all new Galzin prescriptions should be sent directly to Anovo Specialty Pharmacy.
- You will be enrolled in the **Eton Cares Program** at your first prescription, ensuring full access to benefits, **including \$0 copay** for eligible patients, and dedicated care coordinator support.
- Anovo will guide you through the onboarding process and ensure prompt delivery of medication.
