WILSON DISEASE CONFERENCE: INVITATION TO SPONSOR

SHAPING A BETTER FUTURE IN CARE: DIFFERENT PERSPECTIVES, SHARED PURPOSE

Dear WDA Conference Supporter,

On behalf of the Wilson Disease Association, I am pleased to invite you to partner with us as a sponsor for the 2026 Wilson Disease Association Annual Conference, themed “Shaping a Better Future in Care: Different Perspectives, Shared Purpose.” The conference will take place September 25–26, 2026, at the Northwestern Medicine Wilson Disease Center of Excellence, with the continuing medical education (CME) course provided through the Feinberg School of Medicine.

Wilson disease continues to impact individuals and families in profound ways, requiring an ongoing commitment to research, clinical excellence, and comprehensive patient support. While challenges remain, the field continues to advance through innovation, education, and a shared dedication to improving outcomes.

This year’s conference reflects a unique dual-track format, offering parallel experiences for healthcare professionals and patient-caregiver audiences. Through the same expert faculty and aligned content—tailored to each audience—we aim to ensure that knowledge, insight, and progress reach every side of care. Though distinct in delivery, both tracks are united by a common goal: better care for those affected by Wilson disease.

We appreciate your commitment to advancing healthcare and improving the lives of individuals affected by rare diseases. Your sponsorship will directly support high-quality education, foster meaningful progress in care, and help ensure that both clinical and patient communities benefit from the latest knowledge and expertise.

We offer a range of sponsorship opportunities designed to highlight your organization’s dedication and impact. From branding visibility and exhibit space to customized engagement opportunities, we are happy to tailor a package that aligns with your goals.

We would welcome the opportunity to discuss this partnership with you and provide additional details. Thank you for considering support for the 2026 Wilson Disease Association Annual Conference and for your ongoing commitment to advancing care in this field.

Warm regards,
Rhonda Rowland
